By concurrence to this memorandum the Comptroller signifies that sufficient funds are available for this additional obligation. This contractual action is necessary to cover the cost overrun and is authorized by Activity Program, DPD-6617-60, dtd 30 August 1960.

5. The Contractor has fulfilled the following requirements of the contract: All work has been completed and accepted on behalf of the Government, no Government-furnished property was supplied to the Contractor, all residual inventory resulting from the contract work has been accounted for, final overhead rates have been approved, and the reports on Royalties and Patent Rights have been submitted and accepted.

6. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all covert expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress, (formerly 10(b) - see 85-507 dtd 7/7/58) for each contract.

7. Approval of Amendment No. 11 to Contract No. INC-143 and execution thereof on behalf of the Agency by the authorized Contracting Officer is recommended.
